

**It is estimated that 1 in 3 of all families  
in the UK is now a stepfamily**

**FIRECRACKER FILMS**

Firecracker Films is looking for families who are about to go through the transition of moving in together for the first time to be part of a ground-breaking new documentary for Channel 4. Our aim is to gain a realistic and honest portrayal of this process, looking at it through the eyes of the children as well as the parents.

The production is being funded by the  
Channel 4 Education department.

If this is something that you and your family might be interested in and would like more information about then please get in touch with:
