What children say about the KidSafe UK programme:-

- It is amazing for kids to learn how to keep safe.
- I loved every single bit.
- Wish we had longer time with KS doing more lessons.
- Thank you KidSafe you taught me loads.
- KidSafe is amazing.
- I know what to do if something goes wrong.

Tens of thousands of children have participated in KidSafe UK programmes and 99.39% of children taught, said that all children should do a KidSafe course.

What head teachers/DSLs & mental health leads say about the KidSafe UK programme:-

- KidSafe is a brilliant course which needs to be in all schools as it directly teaches children how to keep themselves safe from abuse and harm in a fun non-scary way.
- KidSafe UK offers schools a cost effective, robust structured approach to how we safeguard children.
- The programme provides schools with an effective framework to tackle difficult issues promoting children's resilience and positive mental health.
- The programme is delivered in a fun way but with a serious message running alongside and with no use of explicit language or materials. The programmes are always age appropriate, fun and entirely child centred.
- KidSafe offers a whole school approach with sessions being taught from reception through to Yr. 6. All sessions are pitched at a good level discussing sensitive issues in a child friendly way.
